DATE OF INFO

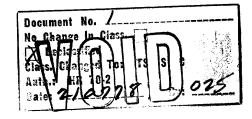

- states that all political prisoners working on the Danube-25X1X Black Sea Canal are housed in special barracks which are mined by electrically controlled detonating devices.
 - 2. Merosene in Rumania is rationed, and in order to get five liters of kerosene, civilians have to stand in line for hours.

25X1X

3. To enter or leave the port of Braila, one must have a special permit. Civilians may wander freely on the quays until 8:00 p.m., after which hour a permit is required to enter the port area. Foreign ships are guarded by sentries; one posted at the bow, one at the stern, and one at the gengway. A special permit is also needed before anyone can board a foreign ship. only boats allowed on the Danube River after 8:00 p.m. are patrol boats.
